Monthly Chamber Luncheons –

Luncheons are held once a month with a formal program, dynamic keynote speakers, networking opportunities and fantastic food. The events are held at a variety of interesting, diverse local locations.

Chamber After 5 Connections –

A casual, fun, after work & social event held monthly to encourage chamber members to meet with other chamber members and make valuable business contacts. This event is an evening cocktail reception offering networking opportunities and plenty of time to socialize in an informal setting. Learn about things going on in the community and highlight your own business. Dates vary, be sure to get involved.

"I was really nervous coming to this, as a new member and new business I didn't know what to expect. I walked away with several contacts and a follow up meeting with a potential client! I recommend this event to every Chamber member!"

Professional Development and Business Improvement Seminars –

The Squamish Chamber of Commerce collaborates with a diverse group of professionals to offer information, training, workshops, seminars and professional development to our members in Squamish at competitive prices.

"My husband and I are thrilled with all the contacts we have made through attending the Chamber events. We have learnt so much, in such a short time on new directions to explore with our businesses. It has also been a great social, we've met some wonderful people. Thank you."
