In light of recent health directives, many businesses have adjusted business operations. The following table includes updates to Squamish business operations. We will do our best to update this sheet daily. Please note that circumstances are changing frequently.

- Support your local businesses by buying online, take out, delivery, gift cards, giving reviews and respecting social distancing in stores / businesses
- Chamber members have a business listing with all contact information (website, social media, phone). Remember to leave a review!
